

Jane Smith

Senior UX/UI Designer

Email: jane.smith@example.com | Phone: (555) 456-7890 | Location: New York, NY | Portfolio: jsmithdesign.co

Professional Summary

Creative UX/UI Designer with 7 years of industry experience crafting user-centric design systems, clickable prototypes, and complex wireframes. Focuses on information architecture, responsive guidelines, and accessibility standards to build intuitive products. Deep experience conducting usability tests and managing developmental handover processes.

Skills & Expertise

UX Design | UI Design | Wireframing | High-Fidelity Prototyping | Information Architecture | Figma | Adobe Creative Suite | Photoshop | Illustrator | Design Systems | Usability Testing | User Journey Mapping

Work Experience

Principal Design System Designer

Vanguard Digital Solutions | 2022 - Present

- Architected a comprehensive visual design system in Figma, scaling design output by 50% across 6 cross-functional product departments.
- Conducted 30+ iterative usability tests and customer journey mapping cycles to optimize signup layouts, resulting in an 18% lift in user signup conversions.
- Developed high-fidelity prototypes and interface handoff parameters using Figma token configurations for the engineering team.

UX Designer & Researcher

Modus Creative Group | 2018 - 2022

- Designed comprehensive wireframes, typography layouts, and information structures for multi-tenant mobile applications.
- Collaborated closely with frontend developers using basic HTML/CSS knowledge to ensure absolute layout spacing and typography compliance.

Education

Bachelor of Fine Arts in Graphic & Interaction Design

School of Visual Arts, New York (2018)
